

PRESS ALERT

CITY OF GRETNA

For Immediate Release

Post Storm Update

Our garbage contractor – Waste Connections is hoping to begin collecting regular garbage only on Thursday, September 2 and Friday, September 3. We have signed agreements with additional contractors to help manage the large amounts of storm debris to be collected.

This does NOT include normal bulk items and white goods such as refrigerators. These items will be picked up at a later time.

Please realize that our roads are very dark in the evening because of power outages citywide. Please consider limiting your travel to daytime hours. We are very grateful for our police officers who continue to do an incredible job keeping our citizens safe. We have also just been assigned several national guardsmen to assist the Gretna Police Department with security.

*Please stay tuned to the city's Facebook page – **City of Gretna**, and our website – **www.GretnaLA.com**, for further information and updates throughout the remainder of the week. If you have questions or need assistance, please call us at (504) 363-1500.*
