wasteconnections.com

Examples of Plastic #1 (PET)

- Soft drink bottles
- Peanut butter jars
- Mouthwash bottles
- Salad dressing bottles
- Liquid dish detergent bottles
- Any post consumer bottles labelled with a 1 inside the recycle triangle

Examples of Plastic #2 (HDPE)

- Milk jugs
- Water bottles
- Juice bottles
- Vinegar bottles
- Dairy tubs
- Liquid detergent bottles
- Any post consumer bottles labelled with a 2 inside the recycle triangle

*Place shredded paper in a clear plastic bag

*All other recycling should be loose in the bin/ DO NOT bag

*Plastic bags will clog the machines and are a safety hazard for workers

*Please check with your local grocer to find out if they take plastic bags for recycling
