Gretna Welcome Center, 1035 Huey P. Long Avenue, Gretna, LA 70053, 504.363.1580.*

**Join us on Saturday, June 3, to support the city’s quality of life campaign by participating in the second annual Walk for Recovery along the levee in Gretna.**

Thousands of men and women in our area suffer from drug and mental health addictions with little hope of recovery because they lack the knowledge or resources to get the assistance they need. YOU CAN HELP! The goal of this nonprofit event is to bring addiction awareness to the community while raising money to support our local facilities that so capably and compassionately treat individuals who need in-house rehabilitation to recover, regardless of their ability to pay.

Walk for Recovery will annually memorialize someone who has lost the battle of addiction. This year’s walk will be in memory of Rome Kass. All proceeds will be divided equally between Bridge House and Grace House of New Orleans, and Responsibility House in Terrytown, to help empower others to take a different path.
