This addendum shall be part of the Contract Documents as provided in the Front End Documents of the Specifications.

The following items are issued to add to, modify, and clarify the Contract Documents. These items shall have full force and effect as the Contract Documents, and the cost involved shall be included in the bid prices.

Acknowledge receipt of the addendum by inserting its number on the Bid Form of the Bid Documents. Failure to do so will subject the bidder to rejection.

This Addendum No. 1 consists of 1 page including all attachments.

License Requirement Modification:

1. If the Vendor performs ninety percent (90%) or more of the total scope of work associated with the upgrades, the requirements for a contractor's license detailed in the front end specification sections, five percent (5%) bid surety, payment and performance bonds, and evidence of authority signature shall be waived. The Vendor's performance of a majority of the Work shall not relieve the Vendor of the obligation to engage a properly licensed contractor for any activities customarily requiring such services, including but not limited to installation of conduit, panel installation, or any work requiring permits.
